

Planet Sub

THE OVEN BAKED ORIGINAL.

At Planet Sub we pride ourselves in serving authentic food, and having a passion for people. That's why we make our bread from scratch each day; not just because it makes us different, but because sometimes doing things the hard way is the right way. We also believe that including our employees in the age-old process of making quality food by hand enriches both our customers and employee's lives.

Participating Locations: Proudly serving locally sourced, home-made gluten free bread. Ask for any wrap or sandwich on gluten free bread - available at certain locations.
